

The Divitimeshareowners Yahoo Group's for sale for rent "list" is a convenience provided as a courtesy to members of the Divi Resorts related Yahoo Groups identified on the PDF Input Form.

The list is not intended to be a marketing vehicle for 3rd parties.

Note that a Group "member" is identified by the email address used to join the Group.

Any other email address is considered to be a "3rd party". 3rd party input is not supported.

Input via the PDF form file from Group members having a Divi Resorts right of use fixed week contract or an RCI Points (using the "home week" option) contract can be submitted for consideration for addition to the list.

The PDF input form is sent as an attachment to the email address given on the form.

As a common indicator of "spam" email can be a less than meaningful Subject line &/or a blank or uninformative email body such emails get routed to the circular file.

When considering input to the list reflect on your stays at the resort and review your contract.

Forms with incomplete &/or incorrect information are rejected.

Correct and complete information is necessary to support interested parties performing independent due diligence.
